Suspicious Individual

Call The Police – 911 if you see any suspicious characters on Sugar Sands property. Please also leave a message with the Sugar Sands Office – 561-844-5630 – so we have a record of a call to the police.

Recently on several occasions a strange man was seen walking along the sea wall. This same person was found sleeping in one of the pool pavilions. If the police are called and respond it sends a signal to a potential criminal that our community is not one they want to be in.

Theft is usually a crime of opportunity.

We can help each other to protect Sugar Sands from crime by taking all precautions to reduce the likelihood that we will be a target of a crime. If you see a crime in progress or are the victim of a crime or suspect that someone is up to no good

CALL – 911 or the Riviera Beach Police at 561-845-4123.
